CAREER OBJECTIVE

To launch my IT career by leveraging skills in Java, Python, C, Golang(basic) and data structures. As a passionate, fast learner and team player, I aim to create innovative, user-friendly applications, enhance problem-solving abilities, and collaborate effectively to deliver impactful tech solutions

WORK EXPERIENCE

Web Development • Internship

Arjun Vision Solutions, Chennai

Jul 2024 - Aug 2024

As a Web Developer Intern, I developed EdoScheduler, a task management app with features like task prioritization, habit tracking, and calendar-based note visualization. Built using HTML, CSS, JavaScript, and FullCalendar, the app ensures responsive, user-friendly design across devices. Key functionalities include deadline notifications and a visually appealing interface. This experience enhanced my skills in solving real-world challenges and delivering intuitive web solutions.
